Professional Stage Hire

The ultimate in portable outdoor staging is available for hire in Australia. Permanently homed in Western Sydney, the stage can be transported anywhere on the roads network to your event.

StageFast will quickly set the stage up for you after arrival on site. Lights and Sound systems are normally provided by your local production company, but if you want a one-stop solution, (including temporary power generation), we will make it all happen for you.

Not just a stage...

Our systems are also easily used for other purposes, including:

- broadcast events platforms
- creating an exciting temporary outdoor dining area
- logistical staging area for emergency services
- temporary projection screen
- and much more.

Stage hire is subject to our terms and conditions, which are available on request. Contact us now to see if the dates for your event can be accommodated by our stage.

Professional Stage Sales

Not only can you HIRE our stages, you can also BUY them. Choose from a range of sizes, including a seating Grandstand. The trailer will be delivered to your location, anywhere in Australia.

Your organisation can then enjoy the full benefits of being able to set up a stage when and where you need to.

Stage Fast has worked extensively with the manufacturer of Stagemobil in Germany to ensure the trailer is modified specifically to meet Australian legislated road safety requirements.
